WHAT'S ON YOUR MIND?

I was just diagnosed and I'm confused and scared.

What if my siblings don't match me?

Can you feel when your platelets are low?

How do I prepare for my transplant?

How do I help my wife?

How do you learn about clinical trials?

Anyone have ATG twice?

Should my husband get a second opinion?

Is "chemo brain" real?

Does your doctor let you play sports?

How do you explain aplastic anemia to kids?

I'm neutropenic and worried about travel.

Any MDS patients in Denver?

How do you stay optimistic?

How do I help my dad when I don't live nearby?
